2016 HTL Women's 55+ Tri-Level Ranking Guidelines

The Honolulu Tennis League Women's Tri-Level league final rank will not impact the upcoming regular HTL 2017 Women's League. However, participation in the regular HTL Women's League may affect the player's rank in the Tri-Level League.

A player's final Honolulu Tennis Women's League rank will be the primary source to determine the player's rank to play in the Tri-Level;

- a. The final rank at the end of the Women League (A, B, C) will be the starting rank for Tri-Level league; for example the final rank at the end of 2016 is B3 the Tri level player will be ranked as B;
- b. If the player did not play in 2015, the 2014 Final HTL Women's rank will be used;
- c. If the player did not play in 2015 or 2014, the 2013 Final HTL Women's rank will be used;
- d. If the player has not played in HTL in the last 3 years; the player's most current **or last official USTA** rank will be used to determine the new player's Tri-Level rank:

USTA 3.0 or less = Tri Level C rank

USTA 4.0 – 3.1 = Tri Level B rank

USTA 4.1 or higher = Tri Level A rank

This page left intentionally blank

- e. For players without any HTL or USTA rank for the last 3 years may be reviewed by Ranking committee to determine starting rank for Tri-Level league play.

Changes in Tri-Level rank will be based on the final rank at the end of the season;

- a. A player must play at least 3 matches to affect her rank;
- b. A winning season will be defined as more than 50% wins; for example: 2 wins and 1 loss = 66% (winning season); 2 wins and 2 loss = 50% or NO Rank Change;
- c. A losing season will be defined as more than 50% losses;
- d. An upwards or downward change in rank will ONLY be made after three (3) consequent years of win or loss records in the Tri-Level league:

Mary Hawaii

Rank C

2013	4 wins 0 loss	100%
2014	3 wins 1 loss	75%
2015	2 wins 1 loss	66%
2016	Rank changed to Tri Level B
